A Rutgers parking permit is a two-part system: a hangtag to be suspended from the rearview mirror plus a window sticker, which must be permanently affixed to the left-side rear window. Overnight parking from 2:00am to 6:00am is highly regulated, and failure to follow regulations will result in ticketing and/or towing. A complete version of parking rules and regulations is available at <http://rudots.rutgers.edu>

To avoid being ticketed and/or towed; vehicle must be parked in a marked stall. If lot is full move vehicle to the next available lot listed. All students parking on campus are required to purchase a permit. Campus meters are designated for visitor parking only; registered students parking at meters will be ticketed.
