RUTGERS INTERCAMPUS TRANSIT SYSTEM
UPDATES FOR SUMMER 2010

CONSTRUCTION / ROAD CLOSURES

• Construction in downtown New Brunswick will close down parts of George Street starting on June 21, 2010, and is expected to last 18 months. As a result the campus buses will be detoured around the affected areas, and certain bus stop locations have been relocated, they are as follows:

1. The bus stop at the intersection of George Street & Liberty Street (heading away from the Cook/Douglass campuses) has been relocated to the front of the C-Town supermarket, at the intersection of George Street & Morris Street.

2. The bus stop at the intersection of George Street & Paterson Street (at the Rite Aid heading towards the Cook/Douglass campuses) has been relocated to the Hyatt Hotel, on Nielsen Street (southbound) between Church and Paterson Streets.

3. The bus stop at the intersection of George Street & Paterson Street (at the Burger King heading away the Cook/Douglass campuses) has been relocated to the Hyatt Hotel, on Nielsen Street (northbound) between Church and Paterson Streets.

PERMANENT CHANGE TO SUMMER SERVICE

• The “A SPECIAL” route will service all of the Rutgers New Brunswick/Piscataway campuses, starting from College Avenue, then to Busch, then to Livingston, then to Cook/Douglass, then back to College Avenue in that order. This “A SPECIAL” route is essentially the same as the current “All Campuses” route.

• The “L SPECIAL” route will service all of the Rutgers New Brunswick/Piscataway campuses, in reverse of the “A SPECIAL” route, starting from College Avenue, then going to Cook/Douglass, then to Livingston, then to Busch, then going back to College Avenue in that order.

• This change eliminates the need to transfer at the College Avenue Campus when traveling from Bush or Livingston and heading to Cook/Douglass.

Please refer to the revised summer 2010 bus schedule with the hours of service / departure times for these new routes. The schedule, along with maps and route descriptions for these routes are available on the RUDOTS website.
